## NEPTUN-OLIMP, YOUR HOST CITY

### Neptun is a vibrant and cosmopolitan city, full of natural beauty.

The Neptun spa, on the Romanian Black Sea Coast, 38 km south of the river and maritime port of Constanta, neighbours the Comorova woods and two sweet lakes reserved for entertainment. It has become a representative spot of the Romanian tourism, thanks to its smart architecture, diversified accommodation, good quality services and high efficient medical treatment provided by the balnear compound that operates all year long.

### In Neptun you will enjoy:

- ▣ Along beach facing east, 150 m away from the FORUM venue (free of dangerous tidal waves and fauna), with fine sand, sports and entertainment facilities.
- ▣ Two minigolf fields, bowling, mechanical games, yachting, in-door and out-door swimming pools, facilities for nautical sports.
- ▣ The outdoor Cinema, the Summer Theater, the Neptun Bazaar, the docks, a recreation park.
- ▣ Restaurants offering a great variety of Romanian food, fish specialities and folklore performances.

## WHO SHOULD ATTEND THIS FORUM?

The Forum is open to members of the World Energy Council, energy industry leaders, government ministers and officials, heads of international organizations, academics, media, individual and corporate members interested in **“SECURE, SUSTAINABLE AND AFFORDABLE ENERGY FOR CENTRAL AND EASTERN EUROPE”**:

- ▣ Energy producers, suppliers and distributors of all forms;
- ▣ Producers and suppliers of energy products and services;
- ▣ National energy regulatory and supervisory authorities;
- ▣ Non-profit professional associations and societies;
- ▣ Decision-makers, political leaders;
- ▣ Government agencies;
- ▣ Research and design institutes;
- ▣ University centers;
- ▣ Energy users;
- ▣ Environmental organizations;
- ▣ Employers' organizations;
- ▣ Trade union organizations.

The organizers of the Regional Energy Forum extend a warm invitation to all interested companies to join us as a partner!
